

ROYAL GLOBAL UNIVERSITY

GUWAHATI

To,
The Principal,
Janata College
Kabuganj, Cachar, Assam

Date: 28/12/23

Dear Sir/Madam,

Royal Global University was established as a state private University by an Act of the state legislature of Assam in 2013. The University which became operationalized in 2017 is now offering 136 academic programs through 23 Schools of studies to 8000 plus students from a single campus in Guwahati.

With our vision to create Global excellence in our students we have been constantly engaged through our mission to add new dimension to the realm of education instilling competence, value, professionalism, entrepreneurship, national commitment, and a sense of Global Citizenship in our students. Joining the domain of education as a private player, our goal is to give our best in the larger interest of the society. With all the constraints of being a private player in the field dominated by established and well supported public institutions. I am pleased to state that our university has been able to earn appreciable societal recognition in the North-East within a short period.

The objective of the University is to provide equal opportunities for the deserving and the meritorious students. Royal Global University has decided to offer meritorious scholarships to the outstanding students of your esteemed college who will secure **more than 60%** the qualifying exams (Under Graduate). To continue availing scholarship, a student must clear all the papers in each semester and should not carry any backlog in any semester from the previous academic year and pass the semester/annual examination for promotion to the next year. Class attendance of the students must be **75%** and above in all the subjects in each semester. Therefore, we would like to request you that **kindly nominate two students** from your college from **Economically Weaker Section (EWS)** category who will be given **100% scholarship. (Subject to availability of seats).**

However, the scholarship will not include expenses pertaining to accommodation and food during their course of study.

The candidates must be recommended in writing by the Principal of the College in his/her letterhead. The same can be shared over e-mail or over WhatsApp with Ms. Gurpreet Kaur Anand, Assistant Director (Admission), Royal Global University. Needless to mention, if college finds any student deserving and desirous of higher education but somehow couldn't find a place in merit list may also be recommended for the admission in the university.

It is our earnest request to please circulate amongst your students and encourage them to avail this opportunity of getting quality education through scholarship and forward their nomination.

Please feel free to contact for any queries and clarifications related to Admission Process to the undersigned.

Thanking you in anticipation,

Warmly,

Ms. Gurpreet Kaur Anand
Assistant Director (Admission)
