

On 8th March, 2025, International Women's Day was observed in the college. The Women's Cell, JCK organised the program where the female faculty of the college shared their thoughts on the importance and duties of women in workplace.

On the day, the speech delivered by the President of India, Smti. Draupadi Murmu in Delhi was live-streamed in the digital hall of the college.

Also, three officials from PHE demonstrated how to test the level of iron present in our everyday use water.

All the faculties and many students attended the program.
